ADVERTISEMENT FOR ENUMERATORS

The Department of Food Science and Technology is looking for two enumerators who will assist in the administration of survey questionnaires for the project entitled "Survey of indigenous foods (RPC-42) in the Kgalagadi district (Tsabong, Maubelo, Maleshe) area.

Each enumerator will be required to administer 25 survey questionnaires in four days between 20 August 2018 and 30 September 2018.

Requirements

BSc graduates in Food Science and Technology or related fields.

Ability to translate survey questions from English language to Setswana language.

Previous experience as an enumerator is an advantage.

Applicant resident in Kgalagadi district is an advantage.

Knowledge on the local community's language and culture in the survey area is an advantage.

Incentive

Subsistence allowance for six days.

Transport will be provided by the project.

BWP 25:00 will be paid per satisfactorily completed questionnaire.

Method of application

Applications (application letter, CV and all relevant documents) should be submitted to the Department of Food Science and Technology, BUAN. Applicants are required to clearly indicate their contact details: address, telephone and if available e-mail address. Applications can also be forwarded to the following e-mail addresses: mmolapis@buan.ac.bw, bmonang@buan.ac.bw or gbultosa@buan.ac.bw.

Closing date

16 August 2018

Only short listed applicants will be contacted. Upon selection, enumerator training will be provided prior to the actual survey.
